COMMUNITY EDUCATION & SERVICES IN 2023

ANIMAL ASSISTED THERAPY

We initiated and managed our therapy dog hospital programs in three area hospitals HCA FWB-Destin, HCA Twin Cities and HCA Destin Rehab. Each week our 10 therapy dogs touch the lives of over 200 people, reducing stress in hospital staff, curing loneliness for patients and providing unconditional love to all.

CHILDREN'S EDUCATION

We provided complimentary programs to educate children how to interact safely with and around dogs. We frequently held the programs with United Way, Early Learning Coalition, Amazing Kids, Girl Scouts, Children in Crisis, Arc of the Emerald Coast, Hulbert AFB extraordinary families, Operation Spay Bay, Emerald Coast Science Center, Destin Library, FWB Library, Hulbert AFB Library, St Mary's Catholic School, Dune Lakes Elementary and Seaside School.

COMMUNITY EDUCATION & SHELTER SUPPORT

In addition to offering multiple community education workshops, we provided over 240 hours of education and training to local shelters and families at risk of owner surrender situations. We also equipped them with harnesses, leashes, crates, food, and enrichment toys. All of these were offered at no charge by Dog-Harmony.

All proceeds from Dog-Harmony Grand Boulevard events will help support our pups and programs in the community.

About our Event Venue: Grand Boulevard is a mixed-use lifestyle shopping center in Miramar Beach, Florida that offers an upscale, open-air environment just steps from Sandestin's exclusive resorts and South Walton's world-famous beaches.
